Looking for a career that truly makes a difference?

Our Educators feel right at home

- Run your own business from home
- Choose your own work days and hours
- Care for your own children while earning an income
- Support and guidance to commence your business
- Be part of a professional team of Educators
- Professional development, resource library and playgroups
- Approachable Coordination Unit providing ongoing support
- High quality service delivery in your nurturing home environment
- Hold a Certificate III in Early Childhood (Children Services), or willing to study
- Commitment to provide child safe and child friendly practice by all household members

Please note: Prospective Educators must meet selection criteria and eligibility requirements

Bland / Temora Family Day Care

Taking expressions of interest

We are seeking Quality Educators to join us
