

EXPRESSION OF INTEREST - 2018/02

UNGARIE FLOODPLAIN RISK MANAGEMENT STUDY & PLAN

Council is seeking expressions of interest from suitable applicants to develop a draft floodplain risk management plan for the study area. Consultants should complete the Proposal documents listed below. All information called for in the briefing documents **must** be supplied. Where an alternative Proposal is offered the Consultant is to submit alternative Proposal schedules where the information submitted for the conforming Proposal will differ from the alternative. The Consultant is to clearly identify each schedule and the alternative to which it applies (see Part B, Section B2.4).

Listed below are the Proposal documents which **must** be lodged with the Proposal.

- Attachment A - Fee Proposal Form - Returnable Schedule
- Attachment B - Hourly Rates For Study Team - Returnable Schedule
- Attachment C - Cost Schedule - Returnable Schedule
- the Outline Plan for the Work
- Short Curriculum Vitae for all personnel nominated in the proposal showing only experience relevant to the project

In submitting the Expression of Interest, the following is assumed to have been agreed:

- Services will only occur if the contractor is compliant in relation to WHS and Insurance requirements;
- That quotes based on the submitted rates will be issued within a week of request by Bland Shire Council;
- That, if the quotes based on the rates are accepted, the works will commence within three weeks of the acceptance date; (unless otherwise agreed by Council)
- The works will be completed within a reasonable time frame.

Expressions of Interest close: 10am Tuesday 15 May 2018.

Please contact Donna Smith on 02 6972 2266 for information regarding documents.

Please register your details online at www.blandshire.nsw.gov.au. The online form can be accessed from the home page or through Your Council/Council Information/Tenders and EOI's.

Written expressions of interest are to be lodged at 2-6 Shire Street West Wyalong NSW 2671.

Further information can be obtained by contacting Will Marsh, Director Asset and Engineering Services, on (02) 6972 2266.
