

My Day at Preschool

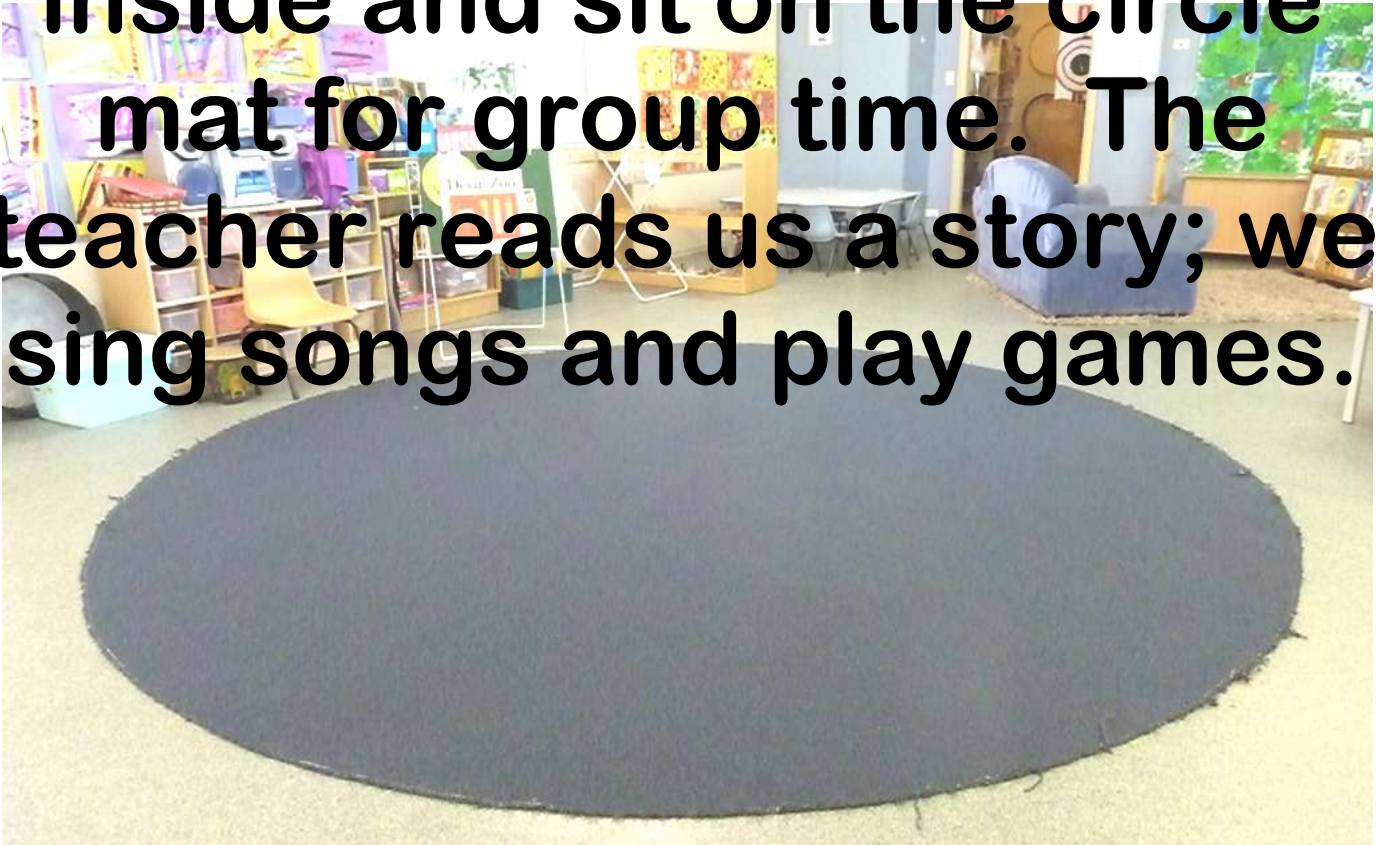

**When I come to preschool
I put my fruit in the bucket
and my bag in the lockers.**

**Then we go outside
and we play on the
swings, in the
sandpit and ride the
bikes. It is fun!**

After outside time, we come inside and sit on the circle mat for group time. The teacher reads us a story; we sing songs and play games.

We go to the toilet and wash our hands before morning tea.

After another group time at the circle mat we play inside.

After packing up the toys we get ready for lunch.

After lunch time it is quiet time.

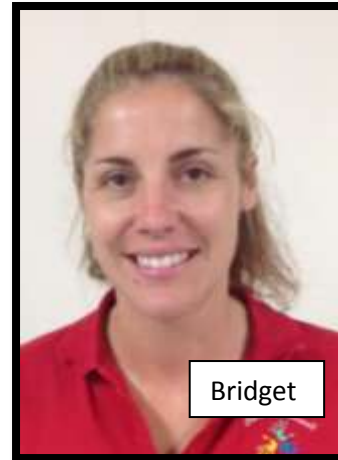

Then we go outside for another play.

**At home time we
say goodbye to
our teachers and
someone special
comes to pick us
up. I hold an
adults hand
when I go out of
the gate.**
