A library of endless learning possibilities for little ones

Grow and support your child's skill development, imagination and understanding of our world with the Bland Shire Toy Library.

Our Toy Library is an opportunity for the Bland Shire community to borrow and play with a wide range of quality educational and entertaining toys. We have a range of items, which encourage learning through play during all stages of a child's development.

All members of the community are welcome to join our Toy Library.

Bland Shire Toy Library is supported through funding from the Department of Communities and Justice.
