

FACILITIES OPERATOR - LANDFILL

About us

The Shire's major centre of West Wyalong is centrally located on the junction of the Newell and Mid Western Highways and within a 160 kilometre radius of Wagga Wagga, Griffith, Forbes, Parkes and Cowra and within 300 kilometres of Canberra – providing an authentic rural lifestyle with the conveniences of the city well within reach. The community is proud of the facilities and services across the shire, but our greatest asset is our people where new residents are embraced and valued.

The Bland region has a rich history and a vibrant future. Today the Shire is a blossoming rural economy built around sheep, cattle, wheat and other crop varieties while in more recent times the Shire has also experienced significant developments away from agriculture. Evolution Mining operates a gold mine at Lake Cowal while Pace Farm has the biggest egg producing facility in the southern hemisphere.

About the role and who we are looking for:

Council is seeking a Facilities Operator to assist in the maintenance and safe operation of Council's facilities, including Council's wastewater treatment plants and sewerage reticulation systems in accordance with Council policies, community requirements and industry standards. You will be required to monitor, control and assess access and charges to the Landfill ensuring compliance with Council's policies and procedures.

To be successful in this position, you will possess the following skills and experience:
Following licenses / tickets or willingness to obtain:

- Class C Drivers Licence.
- WHS Construction Induction Certificate
- Certificate III Water Industry Operations or Certificate III in Waste Management

What we have to offer:

- As a valued member of our team, you'll receive the following benefits:
- Competitive salary and opportunity for salary progression
- Flexible work arrangements
- Learning and career development opportunities
- 9 day fortnight roster
- Fully supplied PPE required for the position
- Allowance, overtime and call out penalties when required.
- Hourly rate starts at \$27.92
- Plus a 10% Council Superannuation contribution.

How to apply:

Before applying, please review the POSITION DESCRIPTION.

Please address the questions on the application page on the website <http://www.blandshire.nsw.gov.au/your-council/careers> . When responding to the questions, please include detailed relevant examples of your skills and experience.

You'll have the opportunity to attach your cover letter and resume.

For more information regarding the Facilities Operator - Landfill position, please contact Steve Reid on (02) 6972 2266.

Interested persons are required to obtain an information package from Council and address the question(s) listed on the web site to be considered for this position. Information Packages are available at <http://www.blandshire.nsw.gov.au/your-council/careers> or contact Human Resources on (02) 6972 2266.

Our Vision:

A place where people are valued, an environment that is respected, a future that is bright and a community that is proud.

APPLICATIONS CLOSE: 3 JUNE 2022

- Undertake other duties including daily cash and Eftpos reconciliation, in line with established procedures.
- Respond to customer enquiries, needs, concerns and suggestions in a timely manner to improve and maintain quality of service in line with performance measures.
- Be able to work unsupervised ensuring deadlines are met.
- Maintain and ensure the cleanliness, appearance and health standards of the Landfill and Waste Transfer Stations complying with standards, policies and procedures
- Clean access roads to landfill and transfer stations improving access
- Assist with the management of the Landfill Site in accordance with Environmental and Quality Control Management Plans
- Carry out other duties that are within the limits of the employee's skill, competence and training.

Sewage Treatment Works

- Maintain, operate and assist in controlling Council's trickling filter, pasveer channels and reticulation mains improving service delivery.
- Undertake daily inspections of pumping stations installed in the wastewater scheme enhancing processes.
- Respond to enquiries from internal and external customers promptly and professionally
- Undertake daily inspections of pumping stations installed in the wastewater scheme
- Collect samples for analysis and undertake routine analysis
- Prepare logs detailing plant operation
- Service and clean water storage facilities, plants and pipes and repair faults in water supply and storage systems
- Ensure that sludge is disposed of in accordance with the requirements of the NSW Environment Protection Authority

WHS:

- Read and comply with all WHS policies and procedures in relation to your WHS roles and responsibilities
- Immediately report all hazards and incidents, following the appropriate processes
- Work in a manner that will not endanger yourself or any other person.
- Assist new employees in the use of proper work practices and procedures.
- Use personal protective equipment clothing or equipment (PPE) provided as instructed by your supervisor and report any defective or damaged PPE.
- Not attempt any task unless you are capable and competent to carry out the task.
- Participate in rehabilitation and return to work programs if required
- Comply with Corporate record keeping requirements.

Key challenges

- Operation of plant and equipment to achieve the standard of work required in a safe and efficient manner
- Balancing individual needs and development work with that of the team to achieve outcomes for council and the community.
- Prioritising accountabilities to serve short term needs while supporting the long term protection of the build and natural environment

- As a member of a multidisciplinary team, to ensure that an efficient and effective service is provided and that the outcomes are of a high standard, consistent with Council and community expectations.
