Memories of Mirrool

The area has a colourful history of settlement, squatters and bushrangers. As part of a community project residents of Mirrool collected memories from days gone by. Visitors can enjoy the display and look back in time with items dating back to the late 1800's. Entry is free, just collect the key from the Mirrool Pub.

Sunshine Park

There is a small park with a well equipped child play area and BBQ facilities.
